B.C. champion rides Suzuki to 1st place in season opener

Vancouver, B.C., Canada – A hard-fought win in the 600 cc Expert Supersport category for six-time champion Mark Kruger highlighted the Suzuki racer's accomplishments at the Westwood Motorcycle Racing Club's 2008 season opener held in Mission this weekend.

Kruger, riding a Suzuki GSXR 600 motorcycle, also achieved 2nd overall in the Superbike and 2nd place in the Open Supersport categories.

"The new Suzuki GSXR 600 is a great motorcycle," said Kruger. "I can't thank my crew and Suzuki enough. Our full-on effort this season is already paying off; we're clearly on-track.

"I rode aggressively from the start and got the best results possible," continued Kruger. "I'm looking forward to a long, hard season and a lot of great racing."

In addition to support from Suzuki, Kruger's racing team is sponsored by Richmond Motorsports, Mile Zero Motorsports, Flexi-glass, Greens Automotive, Kimpex/Oxtar, Excel Power Systems, and Pacific Riding School.

Pacific Riding School (PRS), based in Surrey, British Columbia, provides training for novice, intermediate and advanced riders. Courses consist of classroom workshops, riding sessions conducted in a controlled environment, and supervised road rides. Motorcycles, helmets and riding gear are provided by PRS.
